Bronson Community Schools K-12 Vision

Dedication to Excellence - Preparation for Life

Bronson Community Schools K-12 Mission

The Bronson Community Schools district, in partnership with students, parents, staff, and the community, will provide a nurturing environment where students learn in safety. We will maintain a place of excellence where students can achieve full potential in their academic, creative, personal, physical, and moral development. We will develop lifelong learners who function effectively in the 21st century.

Bronson Community Schools Beliefs Statement

At Bronson Community Schools, we believe that:

- 1. Every student has a right to a quality education*
- 2. All students can learn, given appropriate learning conditions and supports.*
- 3. All students should be provided with a safe, caring, stable and engaging environment where they will be academically socially, and emotionally stimulated.*
- 4. No student has the right to disrupt the learning of another student.*
- 5. Learning is maximized when faculty members employ a wide variety of research-based teaching methods and utilize data related to content areas.*
- 6. Parent involvement is an essential aspect of a quality education.*
